Yes, it looks like it came in to ORC as a control on July 8, but Darlene is gone for the day so I couldn't find out who was assigned. Just wanted to get this going.

Thanks, Mony.

Leslie and I participated in a call on this today as there are water and RCRA concerns here. Naeha is the assigned attorney and she reviewed and provided comments a little while ago. Erik is off today, but I believe he is back tomorrow.

I'll take a look now. Hopefully, the others can review in the morning.

The RA is asking for a quick turn around on this. She wants the letter to go out on Friday.

Who in ORC should get this??

Good afternoon Yvonne,

The attached control is ready for the RAs review and signature. FYI. Denise has already reviewed and worked on this control.

Thank you,
Jessie
